United Nations Industrial Development Organization

GENERAL CONFERENCE

Fifth session
Yaoundé, 6-10 December 1993
Item 14 (d)(i) of the provisional agenda

PROGRAMME SUPPORT: FINANCIAL MATTERS

Scale of assessments of Member States for the fiscal period 1994-1995

Note by the Secretariat

1. In accordance with Article 15.1 of the Constitution of UNIDO, "Regular budget expenditures shall be borne by the Members, as apportioned in accordance with a scale of assessment established by the Conference by a two-thirds majority of the Members present and voting, upon the recommendation of the Board adopted by a two-thirds majority of the members present and voting, on the basis of a draft prepared by the Programme and Budget Committee."

2. Article 15.2 states that "The scale of assessments shall be based to the extent possible on the scale most recently employed by the United Nations. No Member shall be assessed more than twenty-five per cent of the regular budget of the Organization."

3. In its decision IDB.11/Dec.23, the Industrial Development Board recommended to the General Conference for the fiscal period 1994-1995 the establishment of a scale of assessments based on the scale of assessments adopted by the United Nations General Assembly in decision 47/456, to be adjusted, if necessary, to reflect any amendments approved by the General Assembly at its forty-eighth session and further adjusted for differences in the membership between the United Nations and UNIDO.

4. In its report to the General Assembly (A/48/11), the United Nations Committee on Contributions has proposed amendments to the current United Nations scale which reflect the inclusion of the Czech Republic, Slovakia and The former Yugoslav Republic of Macedonia. The scale of assessments for contributions to the UNIDO regular budget for the 1994-1995 biennium, as annexed, is based on General Assembly decision 47/456 and takes into account the proposed rates for those Member States. Any changes in the attached scale of assessments to reflect any differences between the proposed amendments to the United Nations scale and the amendments to the scale which will eventually be approved by the General Assembly will be communicated to Member States at the earliest possible date. Adjustments to the scale to include any State which becomes a Member between now and the closure of the fifth session of the Conference in accordance with Articles 3, 24 and 25 of the Constitution will be communicated to the Conference.

5. In accordance with Board decision IDB.11/Dec.23(c), footnote d/ has been added to the scale of assessments.

ACTION REQUIRED OF THE GENERAL CONFERENCE

6. The General Conference may wish to decide to establish a scale of assessments for the regular budget expenditures of UNIDO for the fiscal period 1994-1995 based on General Assembly decision 47/456 and the amendments to it currently being proposed to the General Assembly for use by the United Nations effective 1 January 1994, to be adjusted, if necessary, as soon as those amendments to the United Nations scale are approved. The General Conference may also wish to urge Member States to pay their assessed contributions for the biennium 1994-1995 in accordance with financial regulation 5.5(b).
